### **HOURS:       REGULAR       MAY TO JUNE 4**

Saturdays: 9 am - 5 pm       9 am - 5 pm

Sundays:    Noon - 5 pm        Noon - 5 pm

Weekdays: 9 am - 5 pm       9 am - 7:30 pm

**Open Eleven Months A Year - Closed In January**

**We are also closed on Mondays in July and August.**

Last year when the warm spring sun melted away the last remains of snow, the growing season seemed promising. However for many first-time gardeners and veterans alike things took an ugly turn. The season remained abnormally wet and cool. Even more problematic for the Northeast was that large retail and "box" stores shipped southern vegetable seedlings north that carried an extremely destructive and highly infectious fungus that causes late blight. The introduction of the fungus and the cool temperatures were responsible for a rapid spread resulting in a disastrous year for many home growers and farmers. Thankfully our cold winter should kill the pathogen. In response to this past season, we have researched new vegetable varieties that show the best resistance or tolerances against diseases. Therefore you will find some new names among the vegetable plants.

In spring we grow thousands of healthy bedding plants, annuals, perennials, vegetables including 75 tomato varieties and 68 pepper varieties, and a large selection of herbs and scented geraniums. This year we have added blueberry and raspberry bushes to our stock for home gardens. Our perennial collection containing many new and unusual varieties, 52 hosta cultivars and 48 different hemerocallis, and herbs continue to be available throughout the summer. In fall we have mums, pumpkins, gourds, and flowering cabbage and kale. By November our greenhouses are full of over 50 varieties of poinsettias and greenery.

Many mixed flower containers, herb gardens, strawberry pots, hanging baskets, pouches and our fiber baskets are available or could be made to order. We are constantly adding new garden supplies, crafts, and art as we refine our sales area. We have "make your own" basket kits, a brush ornament collection, garden soaps and ointments, tools, gloves, soils, seeds and plant wax candles. This year we have added an exciting children's corner with crafts, gardening tools, and kaleidoscopes.

Our family provides trustworthy advice on all aspects of gardening. I give talks appropriate for garden clubs, churches, and social groups. We also host greenhouse tours. Please do not hesitate to inquire. We take great pride in keeping an organized and clean greenhouse. Our meticulous love and care result in quality that can be seen in our plants.

Always growing for you,  
*Rexine*
