Sundays:	Noon - 5 pm	Noon - 5 pm
Weekdays:	9 am - 5 pm	9 am - 7:30 pm

**Open Ten Months A Year - Closed January and February**  
**Closed Mondays in July and August**

We have enjoyed providing healthy plants to you for the past 35 years and would like to continue for another 35. We need your help. Government rules and regulations have consistently become more rigid. Propagators have run rampant with branding and patenting of plants forcing us to buy and use their pots and tags inflating our price to you. Manufacturers of growing products have raised prices up to 30%. Suppliers have become more difficult to deal with in small quantities. Increasing fuel costs have raised shipping companies prices. In this depressed economy many small independent garden centers and "mom and pop" greenhouses are struggling.

Here is where you can help. Every dollar you spend is a vote. Dollars spent at a large retail or "box" store are a vote against the small growers who provide better selections and customer service. Dollars spent at a small independent shop insure that we can be here to serve you tomorrow.

In spring we grow thousands of healthy bedding plants, annuals, perennials, vegetables including 78 tomato varieties and 68 pepper varieties, and a large selection of herbs and scented geraniums. Our perennial collection containing many new and unusual varieties, 56 hosta cultivars and 52 different hemerocallis, fruit stock and herbs continue to be available throughout the summer. In fall we have mums, pumpkins, gourds, and flowering cabbage and kale. By November our greenhouses are full of over 50 varieties of poinsettias and greenery.

Many mixed flower containers, herb gardens, strawberry pots, hanging baskets, pouches and our fiber baskets are available or could be made to order. We are constantly adding new garden supplies, crafts, flags, and art as we refine our sales area. We have a brush ornament collection, garden soaps and ointments, tools, gloves, soils, seeds and plant wax candles. We have an exciting children's corner with crafts and gardening tools to peak young interests.

Our family provides trustworthy advice on all aspects of gardening. I give talks appropriate for garden clubs, churches, and social groups. We also host greenhouse tours. Please do not hesitate to inquire. We take great pride in keeping an organized and clean greenhouse. Our meticulous love and care result in quality that can be seen in our plants. Please "vote" so we can continue to serve you.

Always growing for you,  
*Rexine*
